Dear Prof. Fitzgould

I have not sooner
written to thank you for
your letter & kind offer
to lend me the dilatometer
apparatus, as my
movements were to maintain

that I was not sure
how I could avoid
myself of your offer.

However I have not
returned here again,
and cannot say when
I shall have an opportunity
of flying - otherwise

I should very much like
to try it - So with
your permission, I will
send to Trin. College
for it, if an opportunity
occurs -

Yours truly
B.B. and P. well
