15/17

Professor E. F. FitzGerald
F.R.S.

Miss Collins
Dublin

Physical Laboratory
The University College
Manchester

J. B. Brown

15/17 - 23.6.28.

I was afraid my letter would have been too late. In any case I had all along intended waiting till the completion of my impact rubbing work, until I heard on Friday last of the probability - I told you of. Hence it was I thought of trying the experiment even at the eleventh hour of writing by a about obligeing. Don't you think them right - the more definite information given in the Calendar? J. B.
