

Can it have any meaning in this connection?  
Yours sincerely

John Burke

P.S. The Roy Soc people have  
cut out the appendix (my  
paper which I entered into  
some explanation of the  
reason of change of absorption  
Schechter thought they would do  
so, but that my appendix might  
be published <sup>separately</sup> in the Phil Mag.  
It is all about the Euth. motion  
system of molecules of the molecules

Oct-30<sup>th</sup>-1897.

My dear Dr. Fitz-Gerald  
I am afraid I have  
troubled you terribly about  
the Intermediate. & I hope  
you will regard it as nothing  
else than one of my many  
foolish idiosyncrasies that  
made me bore you in that  
way.

I am doing something entirely  
different just now & as they

And - get - the Proc. Roy. Soc. in  
in the library here I should  
feel extremely obliged if you  
would not mind sending  
me a copy of your paper  
on "A Model of the Ether." Only  
the title is given in the B.A.  
Report 1885. I know the  
essence of your paper as  
given in Lodge's book, but I  
would like to read the paper  
itself.

Lord Rayleigh makes frequent  
mention of it in his recent Phil Mag
