My dear Fitzgerald -

I am sorry to hear that you have been suffering from the prevailing epidemic: I expect to be up about this Tricentenary affair on Monday night week - the 15th inst. & by that time I hope you will be quite right again. I do not possess a Thomson's electrometer having seen

had occasion for one, & do
not know whether one can
be borrowed just to try the
thing & until there is time
to get one on this side of
the Channel, I see there
is a recent paper in the Phil.
Trans. by Arfsten & Perry
which seems to indicate that
White's Thomson's instrument
is not all that might be
desired.

I am
very faithfully
yours
