THE RED HOUSE,  
CAMPDEN HILL, W.

Dear Sir

Many thanks for  
your letter & hints, I will  
look up the references you suggest.  
The roads were certainly  
straight & remarkably white &  
bright. The cloud-floor on which  
they lay was over the ocean  
so that the configur<sup>n</sup> of the  
surface beneath had nothing  
to do with them.

Y<sup>r</sup> very truly

Master Conway
