It is no concern of mine of course, & I suppose it you
mean I know you so well.

I know that other than mistakes occur otherwise
are made, but they seem to have accumulated
rather, & jobs are unduly sensitive.

S.P.T is more concerned but he is not venturing
complimentarily altogether, so it is more discreet
to hand it to you & get you to act as you
think proper without divulging anything to him.

The candidate of course is not told anything, nor must be.

If you like Chittock will be asked to
make ~~a~~ ^{to} a report on her late work — as
a supplement to her other work. I don't
know anything about her myself.

I go to the Euston Hotel tomorrow. You might let me
know if you are willing to see a ^{confidential} report from
Chittock, or would rather not.

Chittock perhaps you know
an evening trustfully now.
