Mr d Q

I am very much ashamed
of myself to find that I
had not returned you list of
Exp with amounts. I made
sure I had. but I have
found it now here.

I write Parkman to Dickens
& expect to hear from him again
as to details.. I arranged

a number to candidates -

$\frac{1}{2}$ are to come in morning

& $\frac{1}{2}$ in afternoon

& all are to be done on the

one day.

You will travel up on Wednesday
night I suppose.

I return your duplicate list.
