Dear Professor Fitzgerald

I intend
offering myself as a candidate for
the Professorship of Physics at
Montreal just vacated by Callender,
I should be much obliged to you,
if you would allow me to add your
name to the list of Physicists
to whom the Montreal authorities
may write for information as
to my suitability for the post.

They seem to be depending more
on private enquiries than on testimonials,
so that I do not propose to send in
any testimonials in support of my
application.

With apologies for troubling you

I remain

very sincerely yours

Charles St. Lees
