Dear Fitzgerald
Can you tell me
What the Govt. does
for the R.I.A. in the
matter of finance?
Does it give an
annual subsidy
or a building
or rooms rent-

free?

It exacts £300
a year for rents
of rooms of the
R.S.E.! The R.S.E.
is applying for
a remission
of this exacton, and
Justice to Scott
seems to demand

assent. 23/86

I would rather
have written
to you about
Osmotic pressure,
dissociation,
hypothesis, &c &c
on which I am
very glad you
