

27/25

Thursday

My dear Francis;

I send you the proof
of *Wartmann* - The 1st paper
was read at the Society of Physics
& Natural History - ~~but the title~~
I don't know whence it is taken
- ~~Send~~ *Acordère* must
only be let stand - *Delus*
started this morning to
Manchester - I will send
the proof after him - I
am on the point of starting
to *Audrea* where I must

lecture tonight. - I shall
probably be off to Manchester
tomorrow - Sometime next
week I shall make every
appearance before you.

Yours most truly
Arthur Tynndall

If you have any thing
to say to me. Parloffer
Manchester will find
me
