

27/40

If you ~~intend~~ intend to  
publish a prospectus ~~and~~  
this preface then the latter  
hardly needs alteration! But  
if you ~~intend~~ do not  
intend to publish a  
prospectus then the preface  
ought to be ~~fully~~ ~~and~~  
more explicit.

When will the prospectus  
be needed? It must be a  
good one and therefore will

and regret to say that I have looked in vain. I do not  
remember ever to have seen the document but I will  
lay no stress on this point. I have looked in vain  
every where for Baxter's letter. I do not  
know where he has his residence in your hands  
I have looked every where through my papers  
for Baxter's letter. I do not remember ever to have  
seen the document but I will lay no stress on this  
point. I have looked in vain every where for  
Baxter's letter. I do not know where he has his  
residence in your hands. I have looked every  
where through my papers for Baxter's letter.

require thought. Now I am  
going to meet in week  
to get something  
to Belfast. If it  
would do afterwards I am  
your sister - But Sunday  
I doubt not would make  
the attorney exactly what it  
ought to be. Had you told  
me earlier you should have  
made me  
I had made an effort to get up to town on Saturday.
