Dear Prof. Fitzgerald

I expect to be up in Cambridge
for another fortnight & shall
be delighted to see you if you
can come. I shall be very
glad to let you rooms in
Trinity, & you could not
have chosen a better time for
this purpose as most of the
men are down & their rooms
vacant. I will let you the
set next to mine. I am afraid
most of the alibutis will be
away from Cambridge but

I hope to be able to find some
people who will interest
you. if you will let me
know when you will
arrive in Cambridge I will
have your rooms prepared.
I will explain when I see
you why I did not answer
your letter on Vortices. Motion
it has been on my mind
for a long time

Yours in great haste
