

THE PALACE, HENRY STREET,

LIMERICK.

Sept. 18/97

My dear Fitzerald,

When I was a Senior Fellow
of T. C. D., I was much better
able than I am now as Bishop
of two poor Dioceses to help
in carrying out such an
object as you set before me
in your letter. You may put my
name down as a subscriber of
£5, if the required amount be
collected.

I fear you never received a

5/65

letter written during your vacation
in which I asked to whom
I ought to send my Aueroid
to be put in order. A man
whom I employed in London
failed to execute the commission

Very sincerely yours,

C. Limerick

Professor G. F. Fitzgerald. F.R.S.
