THE VICTORIA UNIVERSITY

Refused

February 12th 1898.

Dear Sir,

There is this year one application for the degree of D. Sc. in Physics, and I am requested to ask you if you will be good enough to act as one of the referees in judging the merits of this application. The colleagues who will act with you are Professor Schuster and Professor Ayrton. The instructions to the referees are perfectly general, and such as they are you will ^{find} on p. 88 of the Calendar. The candidate has sent in considerable papers, and I should be glad to forward them to you as soon as I hear that you are willing to undertake the work.

Your fee for the application would

be £3. 3. 0.

Yours faithfully

A. Hughes

Registrar,

D. Fitzgerald
