SCHOOL OF ENGINEERING,

Trinity College, Dublin,

11. Dec., 1899

7/13

Dear Traill

I have thought of the accompanying
additional papers I have written.

Yours sincerely

Jos. Has. Duggan

38. Helmholtz Memorial Lectures delivered by
special invitation of the Chemical Society of London

39. Introductory article on the Prospects of Science in
the first number of "Science Progress".

40. Life of Lord Kelvin (Maclehose Edinburgh 1899)

41. Brit. Assⁿ. Dovec 1899 - On the energy of wave
disturbances in a Turbulent Liquid.

I am one of the three Editors of the Philosophical
Magazine by invitation of the other two Lord Kelvin and
D. W^m. Francis.
