Dear Mr Jy Schald,

Thanks so much for  
yr letter for Miss Vassar  
It was the excuse I knew  
about but forgot their names

were you still holding  
to Mr. <sup>h</sup> for August?

Be though you had  
dropped it entirely

Will you come to  
Anolla? The party will

be <sup>2/61</sup> all day. It seems a great  
the Kennedys - a deal of travelling for a short  
Mr. Henry Everett an exact true but the doctor was  
Sud Clergyman & his wife rather decided as to Willie  
& our selves - Do come having a good holiday  
if yr plans are still & certainly will be very  
Adaptable - We shall in moderation see to him  
leave Edinburgh on the better than any they else.  
Tuesday & travel as quick we ought to or he thinks we  
as we come to Arolla ought to be in Scotland the  
where we shall spend just week of Sep<sup>r</sup> but  
a fortnight & a few we may want a little
