My dear Hadden

Enclosed you will find report  
my fourth last copy and not  
quite trimmed as I'd like.

I am anxious to have it in  
print as soon as possible  
for I believe the Govt. Report is  
ready to be laid on the  
table immediately on the meeting  
of Parliament. E.P. Ward thought  
it better to publish my  
report separate & not in the  
General report but the Committee  
must decide this I have  
written to Fitzgibbon about it  
If we all had proofs before  
parliament it would be well.

What about an outline of maps  
I enclose, with a few names?

Excuse haste  
Yours  
W.S. Green
