Dear Doctor FitzGerald,

I have been offered the appointment as Assistant Engineer, Bengal & N. W. Railway. I would be very glad if you could let me have the address of Mr. Neville who is on the same line, & who is in this country at present as I would like to have a talk with him about the matter before finally deciding on accepting the

appointment. You may possibly  
know his address as you  
mentioned to me some time ago  
the fact of his being home  
on leave. Thanking you for  
your influence in getting me  
the appointment.

Yours faithfully  
Dwley P. Griffith.
