Dear Fitzgerald.

I enclose suggestions  
for the 4 papers we  
have to set in July.

It is usual I think to  
put questions in  
the elementary papers  
Yrs the advanced but the  
to be used in the

9/65  
pout. Will you return  
the enclosed and say when  
you prefer to keep and  
return them to me with  
your own additions  
Sending me of course  
a few more than neces-  
sary to select from &  
will then consider  
your alterations and  
write out the papers  
on the forms supplied

by the University returning  
them to you for signature  
and final approval.  
I hope I have not delayed  
too long. Please don't be  
late to speak your mind  
about my questions.  
I enclose a letter from  
Rayleigh bearing on the  
matter. I replied that it  
was difficult to secure  
exactness and accuracy
