

arrange that I'll see
see about an assistant
for the work for June 12
Heat Electrical etc. I think
you said Blakesly appeared
before he ought to have
been asked to take it
last time, if so will
you write to him. What
have you settled about
the D.S. I have not heard
I'll see you make the arrange-
ments with Julian

J. Harvey, R^d

Dear Fitz Gerald.
I ought to have
answered your last before
now. I will meet you
on June 12th and will
also be responsible
for June 14th though
it is a bad day for me
also because of a funeral
meeting here but I must

and let me know if what you settle
or if you prefer write to me a line
Send one to Fulman. We will
talk about turbulent elsewhere
we meet. I have not had time to digest
the paper as yet. I sometimes think
you ought to get some distinction
in between PQR and α, β, γ
What sort of notation gives one and what
the other

J. R. F. Fitzgerald
